Aisling Gaels hope to make the 2014 season a memorable one.
Aisling Gaels hope to make the 2014 season a memorable one during our 5th year anniversary!

Looking to enjoy a summer in Chicago while playing Gaelic football? Come play for the Aisling Gaels, We are the ONLY Ladies Senior & Junior team located in the heart of downtown Chicago!! Aisling Gaels are currently recruiting new players for 2014.

Aisling Gaels Ladies Gaelic Football Club was formed by local Irish girls living around the city in December 2008. We pride our club on the great friendships we have made over the years with players home and abroad while winning Local and National Championships. As the current North American Intermediate Champions we will be competing in the National Finals this summer in Boston, Massachusetts.

We have a good few titles under our belt including: Intermediate North American Champions 2011 & 2013, Chicago League Champions 2013, Chicago Intermediate Champions 2011, Chicago Junior A Champions 2009, 2011 & 2012. This is a huge anniversary for the Aisling Gaels as we strive for our first Senior title.

All players are welcome; we're a small club built on big hearts for winning & each other. We train hard, but play and party harder! Aisling Gaels take on a large number of J1 Visa students and

help to assist with employment and accommodation as best we can. If you're looking for a club that's located fifteen minutes from the heart of downtown, Aisling Gaels are the answer.

Rebecca Towey J1 student 2013 NUI Galway:

"Like many Irish students before I decided to go out to Chicago on my J1. I travelled over with one of my friends not knowing anyone else or what to expect. I also wanted to play football while I was out there. I can honestly say it was one of the best decisions I have ever made. In fact, the whole process therefore easier than if I had gone on my own. I made some great friends as a result of playing football. It's truly the best way to meet people while out on your J1. Getting involved with the Aisling Gaels mixes all the benefits of home with the excitement of experiencing something just a little bit special. I think I speak for all the girls that played with the Aisling Gaels in saying it was really an amazing summer because of that club. I will cherish all the laughs and the only tears that were shed was when it was all ended. My experience was so amazing that I decided to go back to play with the Gaels again this summer. I would urge anyone who wants to get involved in something positive and genuinely good craic to sign up with the Aisling Gaels."

Come join us and have the most enjoyable summer you will ever experience. Choosing Aisling Gaels will leave you with endless memories and friendships that will last a lifetime. We take great pride in our success and celebrate in style. We are committed to making your experience with us enjoyable and one you will never forget. Let's bring home the Senior cup ladies!
