President's Message

It is my pleasure to welcome you to the launch of the Lidl National Football League. This year marks the third year of our very successful partnership with Lidl.

We look back on the last 2 years with a great sense of achievement and recognise last year's campaign as one of the best National Football Leagues in recent years. All 4 divisions produced top class action and entertainment with very

competitive games in all divisions throughout the course of the competition. We also witnessed thrilling finals with great attendances to mark the end of the Leagues.

I would like to thank our retail partners Lidl, who have helped to bring our game to a new level in terms of publicity and recognition. Their innovative marketing campaign continues to provide a great boost to our competing counties and to our top level players. Lidl also provide great support to our schools and clubs through their promotion initiatives, providing much needed equipment and materials at every level.

I encourage all members of the Association to get behind this year's campaign and to come out and support the players at every opportunity. This year will see more double header games for the Lidl National Leagues with the GAA than ever before, this is a positive step forward which will ensure continued support for our players in all divisions.

We look forward, with anticipation, to the 2018 Lidl National League and for all the opportunities that it will bring for the further development of Ladies Gaelic Football throughout the country.

Now is the time to continue to show our #seriousupport for our sport and take our game to the next level.

Marie Hickey
President LGFA

Sponsor's Message

At Lidl, we are immensely proud of our partnership with the Ladies Gaelic Football Association. Since we began our journey two years ago, we have witnessed athletic performances of the highest quality through all grades of the sport. During this time, we have engaged our team at all levels of the organisation to motivate and offer #SeriousSupport for schools, clubs and counties, from the grassroots up.

To date, we've invested over €2.5 million into Ladies Gaelic Football. We've focused our resources into the LGFA where it counts most – at local level and in the community. From intercounty down to local clubs, we've made an impact at every level. We've given new jerseys and equipment to 145 post primary schools, we've awarded cash and voucher donations to over 270 local clubs and we've run skills events for over 550 girls across the country.

In 2017 we commissioned a major piece of research into Irish girls and sport. Our research revealed that playing team sports helps women build a strong set of life skills, like better mental well-being, dealing with pressure and self-confidence. But unfortunately, half of Irish women drop out of sports by the beginning of secondary school. Our goal for 2018 is to continue to support Ladies Gaelic Football at every level, so that as many Irish women as possible can benefit from playing sport, no matter if they are playing for their school, club or county.

Finally, I would like to take this opportunity to wish all the Ladies Gaelic Football teams across the country the very best with the season ahead. Is mise le meas,

Sian Gray
Lidl Head of Marketing

Lidl Ladies NFL Team of the League Awards 2018

LGFA, in conjunction with our National League sponsor, Lidl, will honour the best players from the 2018 Lidl Ladies National Football Leagues. The Teams of the League Awards will be presented at a special presentation evening in Croke Park on 25th May 2018.

Last year's competition was a huge success with many players winning a national award for the first time, which is a great honour and reward for the time and commitment that they give to our sport.

How to nominate players

- It is the responsibility of each manager to nominate the best opposition player(s) from each round of the League
- Managers are required to send their selection(s) immediately after each round of League fixtures to Karen Togher via email: karen.togher@lgfa.ie or text 087 252 3998
- When submitting nominations managers must include the game details: Round v County, player(s) name, position(s) and jersey number(s)
- Managers are not permitted to nominate players from their own panel

The Team of the League for each division will be chosen based on the number of nominations each player receives.

It is essential that all managers submit nominations on a weekly basis.

Having your nominations returned to the office as punctually and regularly as possible ensures that the Teams of the League will be a true representation of the season.

In the event of two or more players being tied for a position, the organising committee comprising of representatives from LGFA All Star committee who are attending the games will have the casting vote.

Lidl / Irish Daily Star Manager of the League 2018

The Lidl / Irish Daily Star Manager of the Month Award will recognise, on a monthly basis, the endeavours of one manager across all four divisions. At the end of the year, at a Gala Evening in Croke Park, the Lidl / Irish Daily Star Manager of the League Award will also be announced.

The Ladies Gaelic Football Association would like to thank Lidl and the Irish Daily Star for their support of this initiative.
