Group games, 3 points for a win, 1 for a draw. If teams are level on points, the head to head game involving both teams decides the ranking, with the winning team ranked higher. If that game was a draw, then score difference decides who is ranked higher. If still level, the team with the most amount of scores in the championship goes through (both points & goals equate to 1 point). If still level, the team with the most points progresses. If after all this, a playoff will take place on Wednesday the 27th Feb, with the winner decided on the day
