

Regulations Governing the Organisation and Presentation of LGFA Club Fixtures during the Covid-19 Restrictions

Introduction: These Regulations have been drawn up by LGFA Management Committee as the basis for County Match Regulations during the Covid-19 Pandemic and they are only the regulations relating to Covid-19. Counties should add these to their additional competition regulations.

Sideline Official - A Sideline Official may be appointed by the Committee-in-Charge and it shall be their duty to report any breaches of these Regulations.

The Sideline Official shall include in their report any relevant observations or breaches reported. These will then form part of the Referee's Report.

The Committee-in-Charge may also impose sanctions for breaches of the Regulations brought to its attention by members of the Committee-in-Charge or the Management Committee.

Failure to respect the regulations and follow laid down procedures therein may lead to sanctions being imposed on individuals, teams, County Committees, or Clubs by the Committees-in-Charge.

1. Ground/Pitch Regulations

1.1 Ground Regulations shall apply to all venues considered suitable for club games. They shall include procedures for entry to each ground, designated areas for substitutes and Team Officials and shall be communicated to Teams in advance.

1.2 Only a maximum of 30 players (starting 15 and 15 panel members) shall be allowed within the pitch enclosure during the playing of the game.

1.3 A maximum of 7 Team Officials shall be allowed within the pitch enclosure during the playing of our games as per Rule 325, one of which must be a female liaison officer.

1.4 Each team shall be allocated a side of the pitch in advance of the game by the Committee-in-Charge, where their team officials and panel of players shall be positioned during the game.

The Team Officials and Players Zone shall be positioned between the two 20m lines and both must ensure compliance with Government social distancing guidelines (currently 2 metres).

Dugouts may be used provided the government guidelines around social distancing are observed.

Where facilities in particular grounds allow for the two teams to be positioned on the same side of the pitch and for social distancing guidelines to be followed, alternative arrangements may be made in advance by the Committee-in-Charge and communicated to the relevant units.

1.5 Where the National Anthem precedes a game, Teams shall stand to attention, socially distanced, respectfully facing the flag.
