The LGFA Grab Your Whistle Referee Academy has been devised to develop aspiring referees aged 18 – 45 years within Ladies Gaelic Football and this will be delivered in 2022.

This is an initiative welcoming referees from all counties to take part, male and female but encouraging at least one female from each county.

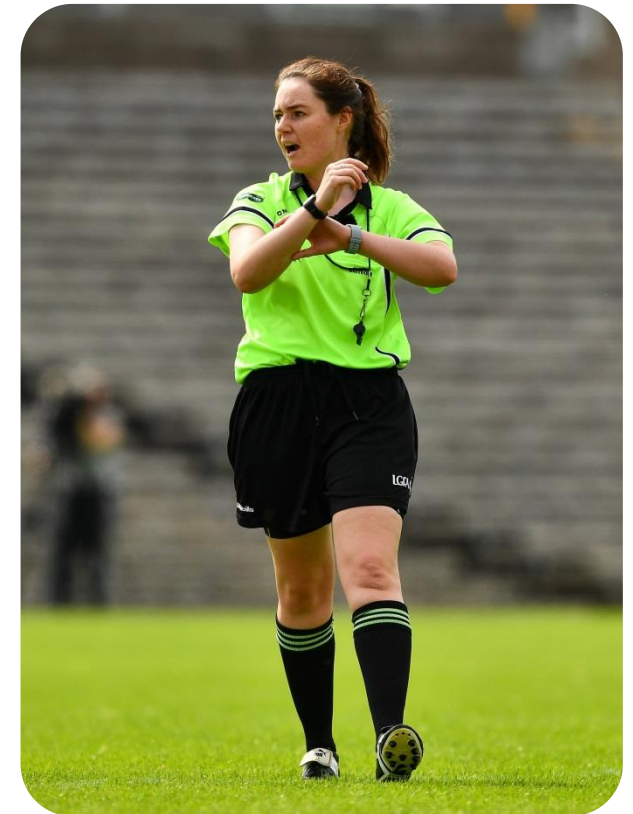

The course consists of 5 contact days, first day and final day will take place in a Dublin venue, with the remaining dates taking place online. Participants will have to attend assigned games and events as part of compulsory practical experience.

We will also run an online mini-series covering three topics with interaction with experienced referees.

Participants cannot be on a Provincial or National Referee Panel but must be currently refereeing in their county.
