MTU President Address

Professor Maggie Cusack, FRSE
President, Munster Technological University

On behalf of everyone at Munster Technological University (MTU), I would like to extend a warm welcome to the 2024 Higher Education Colleges (HEC) LGFA O'Connor Cup Championships.

We are delighted to have this opportunity to show our support for women in sport, especially as this year's championship takes place just a few days before International Women's Day on 8th March. I

hope each and every one of you enjoy the championships and that you get the chance to make great friends and memories along the way.

Over the past few months over 60 teams have been involved in the championships from Ireland and the UK, with around 2,200 players taking part. These three days are the pinnacle of the HEC championship season, and we are proud to host this competition in our state-of-the-art sports facilities on our Bishopstown Campus.

Running an event like this requires a dedicated team who voluntarily give of their time to ensure a successful championship. I'm very grateful to everyone who has been involved in this year's championship, and especially want to thank our own MTU organising committee.

I wish all the participating teams, management, and backroom staff the very best of luck. No matter what the results, I hope you have great fun and enjoy the next few days here at MTU.

A handwritten signature in black ink that reads "Maggie".

Professor Maggie Cusack, FRSE
President, Munster Technological University

Mícheál Naughton
President, Ladies Gaelic Football Association (LGFA)

Tá ríméad orm agus is onóir dom é fáilte a chur romhaibh chuig do na céimeanna deiridh de Chraobhchomórtais HEC na mBan 2024. Beidh seacht gcinn de choirn bronnta againn faoin am a mbeidh deireadh leis an imirt Dé Sathairn an 9 Márta.

I am delighted and honoured to welcome you to the MTU Cork Campus for the concluding stages of the 2024 Ladies HEC Championships, with seven pieces of silverware to be handed out by the time that play concludes on Saturday March 9. For college students and footballers, many of whom are also high-ranking inter-county stars, these are very special days and these games are occasions to savour and cherish. The sense of camaraderie and the pursuit of common goals create a bond and memories that will be cherished, remembered and spoken about for many, many years to come. For many players, achieving great things at third-level can often act as a springboard for further success and this is a real window of opportunity for players to showcase their undoubted talents in the colours of their respective third-level institutions.

Remarkably, and in a year when we celebrate the 50th anniversary of the Ladies Gaelic Football Association, this year marks the 35th running of the annual HEC Finals, a milestone in itself. The Connacht GAA Centre of Excellence, the magnificent University of Galway Connacht GAA Air Dome, played host to the 2023 HEC Finals and it was another festival of football that saw champions crowned in the HEC, Lagan, Donaghy, Moynihan, Lynch, Giles and O'Connor Cup competitions.

The coming days will see those seven pieces of coveted silverware handed out again and the hard-working HEC committee have been working closely alongside the MTU Cork Campus Student GAA Club to ensure the smooth running of the upcoming fixtures. Many thanks to MTU Cork GAA Development Officer Kevin O'Callaghan and his team for the diligent nature of their preparations. The facilities afforded to the players are of the very highest standard, and rightly so, and our third-level stars are ready to put

on a show. These competitions are the pinnacle of Higher Education Ladies Gaelic Football and, through the years, we have been treated to some exceptional fare. It's estimated that 66 teams and up to 2,200 players have participated in the 2024 Ladies HEC Championships. This is an incredible and ringing endorsement of third-level football and these competitions continue to go from strength to strength. Now, it's all boiled down to the final stages of the competitions and teams from across Ireland and the UK will compete on campus over the course of three days, including International Women's Day on March 8. For the first time in a number of years, the British University champions return to HEC competitions to play in the Moynihan Cup and that is something to be very proud of.

Significant administration is involved in the running of the various competitions, and I would like to take this opportunity to pay tribute to the tireless work of the Ladies HEC committee, chaired by Daniel Caldwell and with DJ Collins continuing to provide superb service as secretary. A big welcome, also, to former Donegal Senior team manager Maxi Curran in his new role as HEC Competitions Coordinator, while registrar Christine Nolan and PRO Marisa Kennedy are among others who contribute greatly.

It's also important to mention our All-Ireland inter-county championship sponsors and broadcast partner, TG4, who will provide live coverage of Saturday's O'Connor Cup Final on the Spórt TG4 YouTube page. I also wish to acknowledge to the players and mentors from all of the competing teams in the Ladies HEC Championships, and not just those who have been fortunate enough to make it through to the latter stages. Teams across the seven competitions have been very well prepared and we will see many of them again in the weeks and months ahead as they proudly wear their club and county colours. The introduction of the Ladies HEC Development Cup, won recently by Blackhall, was another very welcome development and well done to all institutions who competed in the competition.

To all of the supporters from the competing colleges who are making the trip to Cork for the semi-finals and Finals, we afford you a warm welcome. Our third-level competitions have provided some wonderful football and entertainment over the years, and I expect the forthcoming semi-finals and finals to be no different!

Bain taitneamh as na gcluichí.

Mícheál Naughton,

President, LGFA

HEC Chairperson Address

Daniel Caldwell
Chairperson, Higher Education Colleges
(HEC) Committee

As we move towards the concluding stages of the HEC championships our attention moves to Cork where MTU will host our finals weekend.

This year 66 teams and over 2200 players have competed across seven divisions with the closing stages of each championship taking place in Cork on the 7th, 8th and 9th March. On behalf of the HEC, I want to thank the players, colleges, Sports officers, Gaelic Games Development Officers, coaches and backroom teams for your continued support. Your commitment and passion for our sport supports its continued growth and development in colleges and universities across the island – Thank you.

This year has been another busy year for the HEC with the return of our freshers Blitz in October hosted by TUS Midlands. In addition, we introduced a HEC Development League Championship to encourage further participation. This competition was a welcome addition and provided opportunities for colleges who had never fielded a team in our championship competitions before. The first final of this competition was hosted by TUS Midlands and was won by the Law Society (Blackhall).

Running the HEC competitions requires a dedicated team who give of their time to ensure the continued growth and development of our game in Further and Higher Education Colleges. I want to thank all the HEC committee who work tirelessly throughout the year to ensure the smooth running of all competitions. In particular, I want to thank DJ Collins for all the work he has undertaken on behalf of the HEC. For fourteen years DJ Collins has been secretary of the HEC. It is fair to say that DJ's name is synonymous with ladies' football in universities across the island and without his dedication the HEC would not be the organisation it is today. Thank you, DJ.

Having visited MTU Cork Campus for the championship draw I was delighted with the enthusiasm and excitement from students and staff at the opportunity to host the finals. On behalf of the HEC, I want to thank MTU Cork Campus Student GAA Club, MTU Cork GAA Development Officer

Kevin O’Callaghan and Christine Nolan (MTU and HEC Registrar) for all the preparations over the last few months. Your level of commitment, attention to detail and professionalism has made the planning process so easy. I am sure the planning and hard work you have put in will result in a great weekend. Thank you.

Finally, we are delighted to welcome the British University Champions back to the HEC championships. After an absence of several years, they will compete in the Moynihan Cup semifinals on Friday 8th March.

The 2024 HEC Championships promise to be a great celebration of football and I look forward to seeing you in Cork.

Let the games begin!!!

Caitlin O'Mahony
Chairperson, MTU Cork Campus
Ladies Gaelic Football Club

On behalf of Munster Technological University Cork Campus Ladies Gaelic Football Club, I extend a warm welcome to each one of you as we gather at MTU's Bishopstown Campus for the HEC LGFA O'Connor Cup Championships.

These three days mark the peak of the HEC calendar which promises to be a spectacle, showcasing the incredible skills and talent of ladies' footballers hailing from all corners of Ireland and the UK. Hosting this event is a tremendous honour for MTU, and I want to acknowledge the dedicated efforts of the MTU organising committee, led by Kevin O'Callaghan, Christine Nolan, Irene Hogan and Norma Buckley, for their countless hours of preparation to ensure a successful and seamless championship.

These are days to cherish and will be remembered for many years to come by us players, mentors, officials, and spectators alike. I, as a player with MTU, understand how hard it is for players to balance schedules for college, training, and matches- but the hard work is certainly worth it!

To all the participating teams and their management, I wish you the very best of luck in your respective games. May this championship be both enjoyable and memorable for everyone involved!

I look forward to welcoming you to MTU Bishopstown Campus!

The Donaghy Cup was first presented in 2003 and is the third longest running of the Championships, with Dublin Institute of Technology the first winners in 2003. The Cup is named after Patricia Donaghy who was involved in education in Inchicore College in Dublin; was a Treasurer of the Ladies HEC; and was also the first editor of Peil Magazine in 1999, which had its nucleus in the Higher Education section of the LGFA. 15 different colleges have won this title, with four winning it twice - DIT, RCSI, Marino Institute of Education and St. Pat's College Drumcondra. TUS Midwest are the current champions.

SPORTS

MTU Sport offers a wide range of sports clubs which cater for both competitive and recreational sport. At MTU we promote a policy of 'Sport for All' and our sports facilities are available to all students. We organise and coordinate a range of fitness classes, physical activity and health initiatives throughout the academic year.

To underline its commitment to sport, MTU awards Sports Scholarships annually in a wide range of sports. It is expected that those awarded a scholarship will have high levels of achievement in their chosen sport and full involvement and participation in this sport at the University.

The Moynihan Cup was first presented in 2016 and is named after Con Moynihan who has served a number of roles in the LGFA including as National Development Officer; Connacht President, and assisting the Ladies HEC. There have been five different winners so far with DkIT the current title holders. Garda College, UCD (3), St. Mary’s Belfast and Dundalk IT have tasted success previously. Cork I.T. and UCD 3 booked their place in the 2020 final, which was cancelled due to the pandemic. The competition didn’t take place in 2021.

The Lynch Cup is the second longest running of the Championships and it was won by Mary Immaculate College in its first year. The Cup is named after former Mary Immaculate College lecturer Noreen Lynch (RIP) who was central to the promotion of Gaelic Games in the teacher training college for many years. The competition began in 1996, with a big spread of winners over the years.

The O'Connor Cup has been played for since 1987 and is named after Michael O'Connor. The top-tier Championship has had 11 different winners, with UL leading the charge with 12 titles, having won their first title in 1993. Mary Immaculate College were the first winners, with UCC, Waterford RTC and Thomond College also successful pre a UL five-in-a-row from 1993. It wasn't until 2000 that a college from outside of Munster took the top prize, with IT Sligo victorious. UCD registered a three-in-a-row from 2001-2003 and won five titles in six years, with UL also taking honours during that spell. UUJ claimed their first (and only title to date) in 2008, while DCU's first success came the following year to kick-start a three-in-a-row.
